Dr. Ann-Kathrin Schreiner provides advice in any kind of commercial criminal law matters. Her portfolio includes both preventive advice and legal representation in current investigation, criminal and regulatory proceedings. In crisis situations – such as dawn raids or the confiscation of assets – Ann-Kathrin Schreiner will reliably take care of the protection of your rights. The client's individual needs always come first for her.

Ann-Kathrin Schreiner provides preventive support for companies in compliance matters, such as the implementation of a compliance management system or the accompaniment or conduct of internal investigations. Another focus of her work is advising and accompanying witnesses and advising and legally representing economically injured individuals and companies.

Ann-Kathrin Schreiner is academically committed through regular publications in criminal law and criminal procedure law. Through continuous professional training, she ensures to always have an overview of the latest legal developments in order to be able to provide her clients with comprehensive and goal-oriented strategies and solutions.
