

Anton Buck

Anton Buck worked for several years in the municipal finance system (town treasurer), at a medium-sized family enterprise (head of finance and personnel) and as a self-employed tax advisor. In the meantime, in addition to his various sports and cultural activities, Anton Buck is interested in structural advice provided on the transfer of assets in a business or private environment. His professional satisfaction arises from the satisfaction of all parties involved in the transfer of assets.

FOCUS

Tax law
