

Michael Rudnau

Michael Rudnau is a convinced advocate of the holistic advisory approach adopted at our law firm, according to which our clients benefit from the extensive experience and knowledge of their lawyers.

Following his legal training at leading business law firms in Munich and Stuttgart, during the course of his career Michael Rudnau has gained a profound knowledge of corporate law (including the acquisition of enterprises), banking law and international business law which are the central areas of law at Kuhn Carl Norden Baum. He provides advice to our clients in these areas and represents their interests before the courts. Michael Rudnau's advisory services also cover insolvency law and the restructuring of enterprises, competition law as well as industrial and intellectual property.
